They have listed in the attachment you sent the NH Brain Injury Association so I am assuming that they have gathered the resources that are listed on the BIA-NH site including the resource directory (see links below) and the pages specifically for Service Members – Caregivers – Families which list resources for each of these groups – home page: http://www.nhveteran.com/default.html but just in case I thought I'd mention these.

From Cheri Nixon (NHVR Portsmouth), per Jim Hinson (09 FEB 2011):

The best organization in our area is the Kremples Foundation. They have a comprehensive program for people with head injury. I know of someone who moved to our area from Mass so she could give her son access to services there.

http://krempelscenter.org/index.html

They don't specifically have programs for people that have been in the military but I'm sure that they would be willing to talk to any family/individual that is interested in their program – whether administration person or a consumer.
From Walter Wilcox, per Jim Hinson (08 FEB 2011):

Try "Krempels Center" in Portsmouth on the Community Campus not far from NH Works on Lafayette. Card for Carol Davis attached.

From Donna McDonough, per Jim Hinson (08 FEB 2011):

I have worked with Erin Hall at the Traumatic Brain Injury Organization in Concord...she is wonderful to work with...I don't have her contact info handy, but if you call the TBI in Concord, you can get it...

Under National Guard there are Marine and Navy resources – they should be somewhere else since they aren’t Guard.

I looked for the information RE: a Veteran Coordinator at Granite State College and I can’t find a POC for Veteran Affairs.

From Lisa Cardullo (07 FEB 2011):

On page 21, add Caregiver Support Coordinator to list of staff.

From Tracy Messer (07 FEB 2011):

- Existing online TBI and/or veteran and military resource directories include:
  - [https://www.nationalresourcedirectory.gov/](https://www.nationalresourcedirectory.gov/)
  - [http://www.bianh.org/directory.asp](http://www.bianh.org/directory.asp)
  - [http://www.nh-veteran.com](http://www.nh-veteran.com)

- Additional online resources include:
  - [http://www.traumaticbraininjuryatoz.org/Caregivers-Journey/Caregiver-Guides.aspx](http://www.traumaticbraininjuryatoz.org/Caregivers-Journey/Caregiver-Guides.aspx) (Family Caregiver Guide developed by DVBIC intended for families of service members and veterans with moderate, severe or penetrating TBIs). Lisa Cardullo noted that the VA now has “Caregiver Support Coordinators” at each site. Sue Brown has POCs for VA benefits regional compensation offices (see page 20 of Directory).

- Tracy Messer asked about the intended audience for the Directory – professionals or individuals and families? Consensus was that it was intended to be a resource for multiple audiences and that it needs to have a more user-friendly format to help non-professionals know where to go for specific resources (such as the National Resource Directory). Suggestions – create alphabetical/categorical listings by subgroups and/or benefits; don’t re-invent
the wheel – integrate with existing online resources through hypertext links; provide brief descriptions of each office/service and explain terms such as “VISN”.
